

Declaration and Indemnity – The Farm

I voluntarily sign this declaration and except that we are participating in a game and utilize all the provided facilities, entirely at own risk and of our own free will and that we are in sound physical health.

We further agree that we will abide by the rules and orders given to us by the field marshals/owners/sign boards at all time.

I will declare any serious medical conditions to the marshals/owners so that a risk assessment can be performed to see if it will be safe to play and what actions to take in the event of an emergency.

In addition, we will in no way hold THE FARM or/and it's individual members or staff responsible and indemnify them for any damages to our property or injury or ailment to our person (especially eye or face injury where the goggles or face masks are removed during play or not) whether occurring during or after the game or for injury caused by us to other players, officials or personal property. We will also not hold THE FARM responsible for loss theft or damage to any of our personal property.

In addition, we declare we are over the age of eighteen (18) years.

Any person under the age of eighteen (18) years old must have written consent of a natural guardian or responsible adult who will sign this form at the field or supply written consent.
